AVAILABLE NOW - In the April 2013 Slowinski at large in Bowling This Month. El Dorado & El Diablo: Understanding Good and Bad Friction. "In this month's issue of Slowinski at large, I present the story of El Dorado and El Diablo, a timeless story of lane play good and evil. To illustrate, the main characters in our story represent good or bad friction. What you will learn in this story is a fundamental lesson. Specifically, the moral of the story is get to El Dorado but avoid El Diablo. With this simple concept, you can increase your margin of error and maintain higher scores."
