

TOPS3 - TIERED OVAL PROCESS VERSION 3

Contributed by Joe Slowinski
Tuesday, 02 December 2014

With the re-launch of Bowling This Month, April 2014, I wrote about the new and improved Tiered Oval Process Version 3 thumb. TOPS3 will improve your swing and release. TOPS3 is a significantly comfortable thumb shape option as well. The process is designed to create a more anatomically correct shaped thumb designed to avoid bending the thumb.
